The Knowsley Ambassadors' programme is starting 2018 with some new year inspiration courtesy of Professor Damian Hughes.

The internationally renowned speaker and best-selling author has worked with some of the most remarkable leaders and business people of our time. His work has received praise from the likes of Sir Richard Branson, Sir Alex Ferguson and Muhammad Ali.

The Knowsley Ambassadors' programme is delighted to welcome Damian as a key note speaker and thrilled that he has agreed to share his insight with the Knowsley business community.

This is a session not to be missed for Knowsley Ambassadors. Spaces will be allocated on a first come first served basis so make sure you book early to avoid disappointment.

Networking will begin at 8am and breakfasts and refreshments will be served.
